STREET AND AVENUE DIRECTORY

OF THE

CITY OF BROOKLYN.

COMPILED FROM THE OFFICIAL RECORDS

ADOPTED BY THE COMMON COUNCIL.

LAIN & CO., PUBLISHERS,

213 MONTAGUE.

Showing the commencement and termination of each Street, Avenue, Place, Lane, Court, etc., in the City, together with corner numbers of every intersecting street or avenue.

EXPLANATIONS.

If you desire to ascertain the location of any number—for instance No. 250 Nevins street—you will observe that No. 240 Nevins is on the corner of Douglass, right side, and No. 260 Nevins is on the corner of Degraw, hence the desired location of No. 250 Nevins street is between Douglass and Degraw, on the right side.

Or, suppose you wish to take a car for the purpose of reaching, as nearly as possible, No. 569 Willoughby avenue. The Street Directory shows (see Willoughby avenue) that No. 511 Willoughby avenue is on the corner of Marcy avenue, and No. 581 is corner of Tompkins avenue, both on the left side, so that to reach No. 569 Willoughby avenue you will leave the car at either Tompkins avenue or Marcy avenue.

Even numbers will be found on the right side, odd numbers on the left.

A † placed in the right or left column denotes that the street or avenue does not extend to that side.

A — denotes that there is no number on the corner.

NOTE.—Streets, Avenues, and Places denoted numerically follow those arranged alphabetically.

MANHATTAN ILLUMINATING FIRE-PLACE HEATER

The undersigned respectfully introduce to their customers, and the public generally, their newly constructed PATENT FIRE-PLACE HEATER.

Besides experience and practical knowledge, no time or expense has been spared to make it, as the above Cut represents, externally a neat and tasteful piece of furniture.

The internal arrangement in its different departments is such that it is destined to introduce itself (the same as the Knickerbocker Range) into general use and become a permanent article.

It can be put up with or without a self-feeder. (Magazine.)

Cold air may be admitted from without, or direct from the room it occupies, according to circumstances.

TESTIMONIALS.

The Waters' Pianos are known as among the very best.—*N. Y. Evangelist.*

We can speak of the merits of the Waters' Pianos from personal knowledge as being of the very best quality.—*Christian Intelligencer.*

The Waters' Pianos are built of the best and most thoroughly seasoned material.—*Advocate and Journal.*

H. WATERS, Esq.—Dear Sir: Having used one of your Piano-Fortes for two years past, I have found it a very superior instrument.—ALOZO GRAY, Principal Booklyn Heights Seminary.

Waters' Pianos are among the most celebrated and improved makes of the day. For power, brilliancy and richness of tone, elasticity of touch, and beauty of finish, they will not suffer in comparison with any other manufacturer.—THOMAS BAKER.

Horace Waters, 481 Broadway, is famed for the excellence of his Pianos and Organs.—*Evening Post.*

The Waters' Piano ranks with the best manufactured in America.—*The Independent, N. Y.*

We have one of Mr. Waters' Piano Fortes now in our residence, (where it has stood for years), of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists have performed on the said piano, and all pronounced it a superior and **First-class Instrument.** Stronger endorsement we could not give.—*Home Journal.*

This I do know, that a melodeon used here in the Baptist Church for the past eight years at least, without any repairs, and purchased from you, is still used, and has remained a first-rate instrument, in spite of the weather and the hard usage it has been subject to. This is certainly good evidence of the superiority of your instruments over many of other makers.—J. HENDRICKS, Jr., Piermont, N. Y.

I have given the Melodeon a fair trial, and think it the best instrument of the kind I have ever heard. Nothing could induce me to part with it.—G. B. DOUGLASS, Medina, N. Y.

I am much pleased with the Waters Organ you sent me.—D. D. BABCOCK, Millport, N. Y.

The \$200 Organ we had of you is powerful enough to fill the church. The different combinations with sub bass give a reasonable variety, and the tones are rich and sweet. Any church having such an instrument as this has a treasure.—C. A. BUCKBEE, Pastor of Baptist Church, San Francisco, Cal.
